Group Rate Changes for 2015 - The group rates will not increase this year, however due to the IRS Tip Law Compliance, we are asking you to book online and include the tip amount that you would choose for your group. The new confirmations will have the tip amount itemized on the total; keeping the rates all inclusive for your convenience. To request a spreadsheet of the group rates by location, email Carolyn Boss at GroupSales@goldencorral.net. Or book online and you will see the rates by each location.
